

ISOS XVII BERLIN 2014

The 17th International Symposium
on Silicon Chemistry

jointly with the 7th European Silicon Days

Berlin, August 3–8, 2014

fundamentals · energy · sustainability
Germany's capital: moving history, art, culture, science

Silicon chemistry to meet the challenges for society

ISOS XVII BERLIN 2014 and the 7th European Silicon Days will bring together research and industrial scientists and students from around the globe to present and discuss the latest and most exciting aspects of silicon chemistry.
